## &SHUFL Price list Metod

This price list includes selected prices. As a standard, &SHUFL produces all of the formats that are found in the Metod system (IKEA's current kitchen system) and in Faktum (IKEA's previous system). For prices on Faktum, see the Faktum price list.

In addition to the standard assortment we produce fronts, doors, side panels, floor boards, and countertops to measure, so you can get specially-designed solutions for your kitchen. Sides and countertops are specially-produced without an additional fee. Fronts and doors that are specially-produced to measure require an additional fee of 10%. If you'd like prices on formats you don't see in this list, you are welcome to contact us.

Descriptions of the options (colors, finish type, et.) that are available for the various materials can be found on our website: [www.andshufl.com](http://www.andshufl.com).

We are not responsible for mistakes or for price changes.

All prices are in Danish crowns (DKK). All prices include VAT, but do not include delivery.

### Where should the handle be placed on the door?

The handles on the door can be placed to the left, the right, or in the center. The price is the same. You just need to make sure that the handle and hinge placements are correct when you order from us.

### Which IKEA cabinets do they fit?

We deliver for both IKEA's older kitchen system, Faktum, and its new system, Metod. When you place an order with us, you should be certain which system you have. Metod is the newest system from IKEA, so if you are going to build an entirely new kitchen using IKEA components, you have Metod.

### Do you have a kitchen that didn't come from IKEA?

We also produce doors and fronts for other kitchen brands. All we need is the precise measurements from you to produce to. Please note that we produce without drill holes. The price for specially-produced doors and fronts includes an additional fee of 10%.

### Dress up your closets and bathroom furnishings with &SHUFL.

We also produce closet doors for IKEA's wardrobe solution PAX, and for the bathroom furnishings line Godmorgon. Contact us to get prices and more information.
