What should the handle look like?

You can choose either a black, stainless steel or brass backplate for our handles. The handles on the door can be placed to the left, the right, or in the center. You just need to make sure that the handle and hinge placements are correct when you order from us.

Do you have a wardrobe that didn't come from IKEA?

We also produce doors and fronts for other wardrobe brands. All we need is the precise measurements from you to produce to. Please note that we produce without drill holes. The price for specially-produced doors and fronts includes an additional fee of 10%.

Dress up your kitchens and bathroom furnishings with &SHUFL.

We also produce closet doors for IKEA's kitchen solutions METHOD and FAKTUM, and for the bathroom furnishings line Godmorgon. Contact us to get prices and more information.
