

A modern, minimalist dining area. A round, light-colored table is set with a white teapot and two cups. Two chairs with light-colored seats and black frames are tucked under the table. The room features a large window with a white frame, through which bright light enters. On the windowsill, there are two white vases and a small R2-D2 figurine. To the left, a long, dark grey cabinet with a built-in bench and a white cushion runs along the wall. To the right, a dark grey cabinet with a silver handle holds a silver speaker and an open book. A basketball with 'STREET' and 'STREET' written on it is on the floor. A black pendant light hangs from the ceiling. The floor is a solid, vibrant blue color.
