This price list includes selected prices. As a standard, &SHUFL produces all of the formats that are found in the Metod system (IKEA's current kitchen system) and in Faktum (IKEA's previous system). For prices on Faktum, see the Faktum price list.

In addition to the standard assortment we produce fronts, doors, side panels, floor boards, and countertops to measure, so you can get specially-designed solutions for your kitchen. Sides and countertops are specially-produced without an additional fee. If you'd like prices on formats you don't see in this list, you are welcome to contact us.

### Countertops

At &SHUFL we also deliver countertops in other materials such as: stone, steel and wood. Descriptions of the options (colors, finish type, et.) that are available for the various materials can be found on our website: [www.andshufl.com](http://www.andshufl.com)
